

ROUNDUP CITY RACERS – MIDDLE SCHOOL

2021 Season Information

The Roundup City Racers (RCR) is a local organization that provides fair and open competitive track and field events for youth ages 5-12 from the surrounding area. This year, the Roundup City Racers and Pendleton High School Track & Field/Cross Country programs are offering a middle school division for those athletes that have not been able to have a track and field season for two years! This division of RCR will be open to all Pendleton students in grades 6 to 8. RCR is designed to encourage maximum participation at low cost, provide an educational experience, enhance physical and mental conditioning, and just have fun while developing track and field talents.

Four Week Season Information

The Roundup City Racers Middle School season will be four weeks long running on Mondays and Wednesdays between the dates of April 19th to May 17th. Due to the COVID regulations put in place based on our county's risk level (high), we are not allowed to have more than 75 people gathering in one outdoor facility at a time. Keeping in mind our number of volunteer coaches, we must limit the Middle School Division of the Roundup City Racers to the first 50 middle schoolers (grades 6, 7, 8) athletes that register for the middle school RCR season. All practices and meets will take place at the track at Sunridge Middle School. Masks will be required at all times. All meets will be at home and there will be no other teams involved. Meets will be run a little differently this season. More information on this will be posted when available.

We must follow the OHA Outdoor Recreation guidelines:

Awards: Monday, May 17th @ the PHS track (combined with RCR Youth Session #2) – 5:30 PM to 6:15 PM

2021 Awards

We will be offering the Iron Racer award this year!

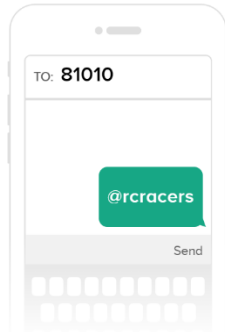

Medals will be given to those athletes that participate in all 8 events offered this season. That means, if they just show up and participate throughout each meet, they will be able to earn the Iron Racer Medal!

Attendance Certificates will also be awarded to those athletes that attend at minimum 5 out of 6 practices and 2 out of 2 meets during their Session.
